# Services & Pricing

BEDFORDSHIRE · HERTFORDSHIRE · CAMBRIDGESHIRE

## WARDROBE EDIT

### Half-day session

£150

Sort, edit and organise one to two areas of your wardrobe.

### Full-day session

£250

A complete wardrobe reset, start to finish, in a single visit.

Both include an honest edit, a system left behind that actually sticks, and styling guidance along the way.

## BUY-BACK

### Per item

£1

A quick, fair price for pre-loved pieces in good, resaleable condition.

Exceptional pieces — think designer, or likely to resell for £20 or more — are individually priced on the day.

We're not able to take items that are stained, damaged, or of very low resale value.

## CHARITY SHOP DROP-OFF

### Per visit

£5

Anything you don't keep or sell can be dropped at a local charity shop for you, however much there is.

BOOK BOTH TOGETHER

Add buy-back to your edit and your charity drop-off is free.

## ORGANISING EXTRAS

Matching hangers, drawer dividers, labels and other finishing touches are available, priced separately and quoted on request — just ask Grace during your visit.
